- **Task force/commissions for cervical cancer prevention**
There is no new task force or commission. Cumulative score: 1
- **Miscellaneous support of cervical cancer prevention**
There is no new miscellaneous cervical cancer prevention legislation. Cumulative score: 2.

State Summary

Arizona's cervical cancer incidence rate decreased slightly over the last report but all the other indicators held steady. While the incidence rate is higher for Hispanic women than White women, both groups have comparable screening rates.
