Thank You For Your Service!

Women In Government sincerely thanks departing Board Members for their leadership and all that they have done to support the staff!

Representative Patricia Willis of Mississippi served as Southern Regional Director, and she joined the Board in 2019 after years of leadership as a State Director helping bring new members to the organization.

Representative Jen Benson of Massachusetts most recently served as Treasurer on the Executive Committee on the Board, and she joined the Board in 2016. Prior to her service on the Board she was a State Director, and throughout her tenure at Women In Government she could always be counted on to graciously host us at policy briefings in Massachusetts.

You will be sincerely missed, and we look forward to seeing all that you accomplish in the future!
