

WIG at Work

FEBRUARY 2018

National Legislative Conference

San Francisco, California

We are proud to announce that **Jody Singer** from NASA's Marshall Space Flight Center will be headlining out National Legislative Conference!

Don't Forget to Register Today!

1st Female African American State Legislators

Minnie Buckingham Harper & Crystal Bird Fauset

In honor of Black History Month, we'd like to recognize Minnie Buckingham Harper and Crystal Bird Fauset, the first African American women to serve in a state legislature.

Ms. Harper was appointed to the West Virginia House of Representatives in 1929 to finish out her husband's term after his death. Ms. Fauset was elected to the Pennsylvania House of Representatives in 1939 from Philadelphia County.

Pearls of WIGdom

If you had to pick one word to live by in 2018
what would it be? For Rep. Guerin that word is:

TRUTH

"Life is so much easier when we remain
true to who we are. We are all created
differently, embrace the real you!"

On the Road with WIG

Ladies Night in Richmond, VA for Fuzzy Slippers

We had the pleasure of being invited to join the women of the Virginia Legislature, Virginia Cabinet and women lobbyists for their annual Fuzzy Slippers event.

It was a chance to kick off our heels and enjoy each others company! With more women than ever serving in the Virginia Legislature we couldn't be happier to help sponsor this event.

The Center for American Women and Politics Women of Power Reception

We were excited to also sponsor and attend the Center for American Women and Politics (CAWP) Women of Power event this month in Trenton, NJ!

Women's Policy Conference in Chattanooga, TN

WIG Executive Director Lucy Gettman spoke in Chattanooga, TN at the 2018 Statewide Women's Policy Conference. This event is put on by the Council for Women created in 2015 by Chattanooga's Mayor, Andy Berke and WIG State Director Rep. JoAnne Favors.

WIG Supporters at Work

#GoRedForWomen

We have had the pleasure of working with Sanofi to bring awareness to the links between heart disease, diabetes and cholesterol. Public Service Announcements recorded at our Annual Healthcare Summit have been airing in legislative districts across the country.

Check out the PSA on our website!
